SUBJECT: Contract Extension with Wightman for Surveying & Inspection Services (Bid Ref: 907-79-005.2)

RECOMMENDATION:

It is recommended that the City Commission approve a two year contract extension with Wightman for Professional Surveying services in the amount of \$185,580.00

BACKGROUND:

The Department of Public Services retains a consultant to perform surveying and mapping for various projects on an as-needed basis. Requests for Qualifications and Proposals for surveying services were opened on July 12, 2018. Five proposals were received and ranked by a team of Engineering and Purchasing personnel and price quotes were reviewed for the top five firms.

In 2018, Department of Public Services decided to award this contract to two lowest bidders as Surveying is a professional service and having two available will help during busy periods and during short notice survey needs. Williams and Works of Grand Rapids, was the lowest bidder along with Wightman being the second lowest.
