SUBJECT: Approve a contract with OHM Advisors for Development of the Parks and Recreation 5-Year Master Plan (Bid Reference #90664-019.0)

RECOMMENDATION:

It is recommended that the City Commission approve a contract with OHM Advisors for the development of the Parks and Recreation Five-Year Master Plan 2024-2029 in the amount of \$104,000.

BACKGROUND:

The Parks and Recreation 5-year Master Plan is required in order to apply for Michigan Department of Natural Resources grants. The plan is also used as a guide for the department through the term of the plan and provides opportunities for the community to have input to what they imagine for our department.

Parks and Recreation worked with Management Services to complete a request for proposal (RFP). Through this process we had five firms submit a proposal for review which was completed independently by five separate City staff spanning two departments. Each member of the scoring committee scored each proposal based on the following categories: firm project experience, qualifications/experience of personnel, project understanding and approach, capacity of firm to perform work, location of performing office, and price/hourly rates.

As a result, all five staff on the scoring committee scored OHM Advisors as the highest rated firm and recommends they be selected as the firm to complete this project. OHM Advisors has a large team with diverse backgrounds to be able to complete this project. The staff listed to work on this plan come highly qualified with many years of experience working on similar projects.

STRATEGIC VISION ALIGNMENT:

Strategic Goal Impact:

Inviting Public Places - Vibrant streets, exceptional parks, and welcoming activities.

Youth Development - A place with supports where young people thrive

COMMUNITY ENGAGEMENT:

Appropriate Depth of Engagement

Collaborate (two-way conversation) - the community will have a chance to shape the project by providing feedback.

Discussion:

This plan will largely be shaped by the input of the community through several in-person meetings and interviews.
