

City Commission Agenda Report

City of Kalamazoo

Date: **7/17/2023**

Item: **G.8.**

TO: Mayor Anderson, Vice Mayor Cooney, and City Commissioners

FROM: James K. Ritsema, ICMA-CM, City Manager
Reviewed by: James J. Baker, PE Public Services Director and City Engineer
Prepared by: Anna C. Crandall, PE, Assistant City Engineer – Water Resources

DATE: July 17, 2023

SUBJECT: Approve a Professional Services Agreement with Prein & Newhof for the 2023 DWRP Contract 1 - Water Main Replacement Project (Bid Ref#92500-002.0.9)

RECOMMENDATION:

It is recommended that the City Commission approve a Professional Service Agreement with Prein & Newhof for Professional Services related to the 2023 DWRP Contract 1 - Water Main Replacement Project, in the amount of \$627,000.

BACKGROUND:

Each year, EGLE requests applications for projects to receive Drinking Water Revolving Fund (DWRP) funding, which includes low interest rate loans, with the possibility for partial or full forgiveness. Public Services applied for DWRP funding and received \$20.2-million in grant and loan funding. This funding is being applied to two construction contracts: Contract 1 – Water system Improvements includes replacing approximately 3.2-miles of water main and replacing approximately 150 non-copper service lines. Contract 2 – Northside Non-Copper Service Line Replacement includes replacing approximately 580 non-copper service lines.

Public Services worked with Prein&Newhof on the design for these two contracts and has requested a proposal for professional services related to construction engineering for these contracts. Prein&Newhof provided a quote of \$627,000 for the construction engineering work for contract 1. Prein&Newhof has performed similar work in the past and Public Services was very pleased with the results. Public Services recommends approval of the contract.

STRATEGIC VISION ALIGNMENT:

Strategic Goal Impact:

Safe Community- Creating a safe environment for living, working, and playing

COMMUNITY ENGAGEMENT:

Appropriate Depth of Engagement

Inform (one-way conversation) – no feasible alternatives available due to legal/regulatory restrictions, standards and best practices, or resource limitations; the community will be made aware of the project.

Discussion:

Letters will be sent to customers to notify them of the upcoming project. As the contractor is getting ready to schedule with customers in specific areas, door hangers will be delivered to notify them that it is time to schedule their inspection and/or replacement.

FISCAL IMPACT:

The funds required for this contract are \$627,000. The funding available and estimated costs are detailed below. We are requesting the approval of this purchase using the funds below.

SUBJECT: Approve a Professional Services Agreement with Prein & Newhof for 2023 DWRP Contract 2 – Northside Non-Copper Service Replacement Project (Bid Ref# 92500-002.0.9)

RECOMMENDATION:

It is recommended that the City Commission approve a contract with Prein & Newhof for Professional Services Construction Engineering related to the 2023 DWRP Contract 2 – Northside Non-Copper Service Replacement Project, in the amount of \$947,000.00.

BACKGROUND:

Each year, EGLE requests applications for projects to receive Drinking Water Revolving Fund (DWRP) funding, which includes low interest rate loans, with the possibility for partial or full forgiveness. Public Services applied for DWRP funding and received \$20.2-million in grant and loan funding. This funding is being applied to two construction contracts: Contract 1 – Water system Improvements includes replacing approximately 3.2-miles of water main and replacing approximately 150 non-copper service lines. Contract 2 – Northside Non-Copper Service Line Replacement with Contingent Change Order includes replacing approximately 930 non-copper service lines.

Public Services worked with Prein&Newhof on the design for these two contracts and has requested a proposal for professional services related to construction engineering for these contracts. Prein&Newhof provided a quote of \$947,000 for the construction engineering work for contract 2 with the Contingent Change Order for additional work. Prein&Newhof has performed similar work in the past and Public Services was very pleased with the results. Public Services recommends approval of the contract.
