

City Commission Agenda Report

City of Kalamazoo

Date: **5/20/2024**

Item: **G.1.**

TO: Mayor Anderson, Vice Mayor Hess, and City Commissioners

FROM: James K. Ritsema, ICMA-CM, City Manager
Reviewed by: James J. Baker, PE, Public Services Director and City Engineer
Prepared by: Anna C. Crandall, PE, Assistant City Engineer – Water Resources

DATE: May 20, 2024

SUBJECT: Professional Services Agreement with Prein & Newhof for Construction Engineering for the EPA Non-Copper Service Replacement Project (Bid Ref#: 92500-002.0.9)

RECOMMENDATION:

It is recommended that the City Commission approve a pre-qualified professional service agreement with Prein & Newhof for Construction Engineering for the EPA Non-Copper Service Replacement Project, in the amount of \$109,000.

BACKGROUND:

The City of Kalamazoo received a \$1M grant from the EPA for lead water service replacements. Public Services put together a project with approximately 140 service replacements. Public Services requested a proposal from Prein & Newhof for professional services related to construction engineering for this work. Prein & Newhof provided a quote of \$109,000. Prein & Newhof, a pre-qualified professional services firm with the City, has performed similar work for the City in the past and Public Services was very pleased with the results.

The proposed construction engineering work by Prien & Newhof includes daily inspections of work performance by the contractor, record keeping, resident project representative responsibilities and daily coordination with residents and businesses as work is occurring.

The project was awarded to SWT Excavating on March 4, 2024, with work planning to begin this summer as soon as sufficient materials can be procured. Smart meter installations are also coordinated with this project.

STRATEGIC VISION ALIGNMENT:

Strategic Goal Impact:

Safe Community- Creating a safe environment for living, working, and playing

COMMUNITY ENGAGEMENT:

Appropriate Depth of Engagement

Inform (one-way conversation) – no feasible alternatives available due to legal/regulatory restrictions, standards and best practices, or resource limitations; the community will be made aware of the project.

FISCAL IMPACT:

The funds required for this contract are \$109,000. The funding available and estimated costs are detailed below. We are requesting the approval of this purchase using the funds below.
