

City Commission Agenda Report

City of Kalamazoo

Date: **7/1/2024**

Item: **G.4.**

TO: Mayor Anderson, Vice Mayor Hess, and City Commissioners

FROM: James K. Ritsema, ICMA-CM, City Manager
Reviewed by: James J. Baker, PE, Public Services Director and City Engineer
Prepared by: Anna C. Crandall, PE, Assistant City Engineer – Water Resources

DATE: July 1, 2024

SUBJECT: Approval of a professional service agreement with Prein & Newhof for the 2024 DWSRF Knollwood Pipe Lining project (Bid Ref#92500-002.0.9)

RECOMMENDATION:

It is recommended that the City Commission approve a professional service agreement Prein & Newhof for Professional Services related to the 2024 DWSRF Knollwood Pipe Lining Project, in the amount of \$204,000.00.

BACKGROUND:

Each year, EGLE requests applications for projects to receive Drinking Water Revolving Fund (DWSRF) funding, which includes low interest rate loans, with the possibility for partial or full forgiveness. Public Services applied for DWSRF funding and received \$20.35-million in grant and loan funding. This funding will be applied to two construction contracts: Contract 1 – Edison Non-Copper Service Replacement Project which includes inspecting, replacing, or abandoning non-copper services in approximately 2000 locations. Contract 2 – Knollwood Pipe Lining which includes lining approximately 8800-ft of existing water main in the Knollwood Neighborhood.

Public Services worked with Prein&Newhof on the design for these two contracts and has requested a proposal for professional services related to construction engineering for these contracts. Prein&Newhof provided a quote of \$204,000 for the construction engineering work for the Knollwood Pipe Lining Project. Prein&Newhof has performed similar work in the past and Public Services was very pleased with the results. Public Services recommends approval of the contract.

STRATEGIC VISION ALIGNMENT:

Strategic Goal Impact:

Safe Community- Creating a safe environment for living, working, and playing

COMMUNITY ENGAGEMENT:

Appropriate Depth of Engagement

Inform (one-way conversation) – no feasible alternatives available due to legal/regulatory restrictions, standards and best practices, or resource limitations; the community will be made aware of the project.

Engagement/Communication Tools

Letters will be sent to customers to notify them of the upcoming project. As the contractor is getting ready to schedule with customers in specific areas, door hangers will be delivered to notify them that it is time to schedule their inspection and/or replacement.

FISCAL IMPACT:

The funding for the project is available in the City's 2024 Water Capital Improvement Budgets with EGLE DWRF Funding. Project funding and estimated costs are as follows:

Description	Account	Project #	Dollar Amount
Water Capital Improvement		wat0500451-04-988.002	\$204,000.00

SUBJECT: Approval of a professional service agreement with Prein & Newhof for the 2024 DWSRF Edison Non-Copper Service Replacement project (Bid Ref#925000-002.0.9)

RECOMMENDATION:

It is recommended that the City Commission approve a professional service agreement with Prein & Newhof for Professional Services related to the 2024 DWSRF Edison Non-Copper Service Replacement Project, in the amount of \$528,000.00.

BACKGROUND:

Each year, EGLE requests applications for projects to receive Drinking Water Revolving Fund (DWSRF) funding, which includes low interest rate loans, with the possibility for partial or full forgiveness. Public Services applied for DWSRF funding and received \$20.35-million in grant and loan funding. This funding will be applied to two construction contracts: Contract 1 – Edison Non-Copper Service Replacement Project which includes inspecting, replacing, or abandoning non-copper services in approximately 2000 locations. Contract 2 – Knollwood Pipe Lining which includes lining approximately 8800-ft of existing water main in the Knollwood Neighborhood.

Public Services worked with Prein&Newhof on the design for these two contracts and has requested a proposal for professional services related to construction engineering for these contracts. Prein&Newhof is a pre-qualified vendor who provided a quote of \$528,000 for the construction engineering work for the Edison Non-Copper Service Replacement Project.

Prein&Newhof has performed similar work in the past and Public Services was very pleased with the results. Public Services recommends approval of the contract.
