

City Commission Agenda Report

City of Kalamazoo

Date: **9/3/2024**

Item: **G.7.**

TO: Mayor Anderson, Vice Mayor Hess, and City Commissioners

FROM: James K. Ritsema, ICMA-CM, City Manager
Reviewed by: James J. Baker, PE, Public Services Director and City Engineer
Prepared by: Anna C. Crandall, PE, Assistant City Engineer – Water Resources

DATE: September 3, 2024

SUBJECT: Approval of a Professional Service Agreement with Prein & Newhof for the System Expansion Design (Bid Ref#: 92500-002.0.9)

RECOMMENDATION:

It is recommended that the City Commission approve a contract with Prein&Newhof for the System Expansion Design, in the amount of \$987,600.00.

BACKGROUND:

Public Services has applied for Drinking Water State Revolving Fund (DWSRF) funding to be able expand the north-east portion of the Regional Water System due to PFAS concerns. Due to the accelerated schedule of the DWSRF process, it will be beneficial to initiate the design prior to additional funding being delineated. The scope of the project includes approximately 50,000-feet of water main. Prein&Newhof assisted Public Services with the preliminary design as part of the DWSRF application.

Public Services requested Prein&Newhof to provide a quote for professional services for the complete design of the project. Prein & Newhof has performed well with other projects for the City of Kalamazoo, and Public Services recommends approval of this contract.

STRATEGIC VISION ALIGNMENT:

Strategic Goal Impact:

Safe Community- Creating a safe environment for living, working, and playing

COMMUNITY ENGAGEMENT:

Appropriate Depth of Engagement

Inform (one-way conversation) – no feasible alternatives available due to legal/regulatory

restrictions, standards and best practices, or resource limitations; the community will be made aware of the project.
