

City Commission Agenda Report

City of Kalamazoo

Date: **2/17/2025**

Item: **G.1.**

TO: Mayor Anderson, Vice Mayor Hess, and City Commissioners

FROM: James K. Ritsema, ICMA-CM, City Manager
Reviewed by: James J. Baker, PE, Public Services Director and City Engineer
Prepared by: Tom Palumbo, PE, Public Works Senior Civil Engineer

DATE: February 17, 2025

SUBJECT: Approval of a Professional Service Agreement with Wightman & Associates for Construction Engineering services for the Westnedge (Vine To Michigan) project (Bid Ref#92549-001.0.11)

RECOMMENDATION:

It is recommended that the City Commission approve a professional service agreement with Wightman & Associates for Construction Engineering (CE) services in support of the Westnedge (Vine To Michigan) project in the amount of \$115,500.00 and authorize the City Manager to sign all documents.

BACKGROUND:

The City of Kalamazoo has jurisdictional transfer funds available from the acquisition of Westnedge Ave from the Michigan Department of Transportation. The major reconstruction of Westnedge in 2024 included much, but not all, of the sector transferred to the City. Work planned for 2025 will be from W Vine St to Michigan Ave downtown. This work will include pavement resurfacing, sidewalk improvements, and other related work. (Unlike 2024's Westnedge project, this is a fairly straightforward resurface; a smaller scope of work and less intrusive than the previous utility project.)

To oversee construction and effectively administer the contract, the Public Works Division reached out to Wightman & Associates for a proposal for CE services. Wightman was the construction engineer on last year's Westnedge project, and Public Works was pleased with Wightman's work on that, as well as several other recent projects. Thus, Public Works is recommending acceptance of Wightman's proposal.

STRATEGIC VISION ALIGNMENT:

Strategic Goal Impact:

Shared Prosperity - Abundant opportunities for all people to prosper

Good Governance- Ensuring the City organization has the capacity and resources to effectively implement the community's Strategic Vision in a way that is sustainable over the long term.

Connected City - A City networked for walking, biking, riding, and driving
Safe Community- Creating a safe environment for living, working, and playing

COMMUNITY ENGAGEMENT:

Appropriate Depth of Engagement

Inform (one-way conversation) – no feasible alternatives available due to legal/regulatory restrictions, standards and best practices, or resource limitations; the community will be made aware of the project.

FISCAL IMPACT:

The funds required for this contract are \$115,500.00. The funding available and estimated costs are detailed below. We are requesting the approval of this purchase using the funds below.
