SUBJECT: Approval of a Professional Service Agreement with Wightman for Building 20-Old Tertiary Renovation (Bid Ref # 92500-005.0.6).

RECOMMENDATION:

It is recommended that the City Commission approve a professional service agreement with Wightman and Associates for tertiary renovation of Building 20 in the amount of \$157,670.

BACKGROUND:

Through regulatory engagements after the City of Kalamazoo commissioned the Kalamazoo Water Reclamation Plant's (KWRP) new tertiary treatment micro-filtration process, building improvements to an existing building were identified. The improvements include: the complete decommissioning of the existing tertiary sand filtration infrastructure to provide a regulatory approved flow pathway better suited for long term operations of the KWRP; replacement of the building's heating system to maintain long term useability of the building; and re-route an existing facility untreated storm water outfall Kalamazoo River by diverting the flow to the headworks of the KWRP for complete treatment prior to discharge into the Kalamazoo River.

STRATEGIC VISION ALIGNMENT:

Strategic Goal Impact:

Good Governance- Ensuring the City organization has the capacity and resources to effectively implement the community's Strategic Vision in a way that is sustainable over the long term.

Safe Community- Creating a safe environment for living, working, and playing

Environmental Responsibility - A green and healthy City.

Economic Vitality - A supportive infrastructure for growing businesses and stabilizing the local economy for the benefit of all.

COMMUNITY ENGAGEMENT:

Appropriate Depth of Engagement

Inform (one-way conversation) – no feasible alternatives available due to legal/regulatory restrictions, standards and best practices, or resource limitations; the community will be made aware of the project.

FISCAL IMPACT:

The funds required for this contract are \$157,670.00. The funding available and estimated costs are detailed above. We are requesting the approval of this purchase using the funds above.
