

TO: Honorable Mayor and City Council

FROM: Pat McGinnis, City Manager

SUBJECT: West Osterhout Avenue Sanitary Sewer Lift Station Improvement Project - Bid
Tabulation

SUPPORTING PERSONNEL: Kendra Gwin, Director of Transportation & Utilities

ACTION RECOMMENDED: Award:

- a. a construction contract to Balkema Excavating, Inc. for the West Osterhout Avenue Sanitary Sewer Lift Station Improvement Project in an amount not to exceed \$976,180.25 and
- b. an engineering services contract to Abonmarche Consultants, Inc. in the amount of \$43,450.00 to provide construction engineering services for the West Osterhout Sanitary Sewer Lift Station Improvement Project

and authorize the City Manager to execute all documents related to the contracts on behalf of the city.

The FY 2020-2021 Capital Improvement Program budget includes funds for the renovation and upgrade of the West Osterhout Avenue lift station. The project includes the replacement of control panels, pumps, and generators, the lining of the wet well, and other site improvements. Natural gas will be installed at the site to serve the generator and the existing propane tank will be removed. An easement was acquired so that the control panel and generator could be placed away from the travel lanes of West Osterhout Avenue.

The request for construction bids was posted in the Kalamazoo Gazette, on the City of Portage LinkedIn and Twitter accounts, as well as on BidNet, where 690 suppliers were matched and notified of this project. Three local contractors were personally notified. Six vendors attended the pre-bid meeting and demonstrated interest. On July 28, 2022, two bids were received for the West Osterhout Sanitary Sewer Lift Station Improvement Project with the low bid being submitted by Balkema Excavating, Inc. in the amount of \$976,180.25. Balkema Excavating, Inc. has successfully completed many lift station installations and rehabilitation in the city.

The request for engineering proposals was posted in the Kalamazoo Gazette, on the City of Portage LinkedIn and Twitter accounts, as well as on BidNet, where 306 suppliers were matched and notified of this project. Three local consultants were personally notified. On July 28, 2022, one proposal for professional construction engineering services was received for the West Osterhout Sanitary Sewer Lift Station Improvement Project. The lone proposal was submitted by Abonmarche Consultants, Inc. in the amount of \$43,450.00. Abonmarche Consultants, Inc. has completed many similar projects in the city.

It is recommended that City Council award a construction contract to Balkema Excavating, Inc. for the West Osterhout Avenue Sanitary Sewer Lift Station Improvement Project in an amount not to exceed \$976,180.25 and award an engineering services contract to Abonmarche Consultants, Inc, in the amount of \$43,450.00 to provide construction engineering services for the West Osterhout Sanitary Sewer Lift Station Improvement Project and authorize the City Manager to execute all documents related to the contracts on behalf of the city.

FUNDING: Funds are available in the FY 2020-2021 Capital Improvement Program budget.
